# FROM THE PRESIDENT

by **Andy Maybo** | [amaybo@dc-fop.org](mailto:amaybo@dc-fop.org)

Let me begin by thanking you for allowing me the opportunity to serve as your new Lodge president. As many of you know, I have been serving as vice president since 2008. Serving as vice president under Marcello Muzzatti has enabled me to gain the experience and knowledge to enter this office with confidence and determination. Over the next few months, as the newly elected board of directors transitions into its leadership role, I plan to get an agenda out to the membership of the goals I hope the Lodge can achieve over the next two years. As president, I see each elected and appointed position as equal to the presidency. A Lodge, along with a Labor Committee, can only be as strong as its membership.

Over the next two years, I intend to continue building off of the strong fraternal practices that many of our past leaders have implemented. Lodge 1 has always been a unique Fraternal Order of Police Lodge because of the make up of our membership and labor committees.

Over the next two years, I hope to achieve an understanding of the FOP for all law enforcement officers throughout the local and federal agencies in DC. My goal is to have police officers and federal agents understand and know what the benefits of the FOP are, as well as having them want to join and urge their colleagues to do the same. I also want the FOP to continue conducting its community outreach efforts and enabling the citizens of the District, and those who are here during the workweek, to know what we are about and that we are here to assist everyone.

The Fraternal Order of Police is an organization made up of men and women in law enforcement across the country – from the newest rookie to the most experienced chief of police. 🌟

# A MESSAGE: THANK YOU

by **Marcello Muzzatti** | [mmuzzatti@dc-fop.org](mailto:mmuzzatti@dc-fop.org)

Dear Brothers and Sisters,

I wrote this final message as President of the FOP knowing that on January 13, 2016, I would be swearing in a new board of directors. It is a bittersweet feeling that I have come to the end of my term as president. I think I was able to get some things done, but my vision was to accomplish much more and deal with things about which I had concerns. In a recent conversation with Andy Maybo he asked if I would still be around. Of course I have no intention of going anywhere, but I will be working at the will of the president. There are a few things I am going to address right away, one of which is getting rid of all the junk scattered around the Lodge. We can toss most of it, but whatever has value we will sell and get some money for the Lodge.

It was great for me to have help through the years – singling everyone out would create a list that is too long. Many of you have thanked me for what I was able to get accomplished and I am humbled by your remarks. What I will do for Andy is be there for him and support him in his efforts. Criticizing his work will do no good, since that was what I faced during my terms. It provided no benefit to the membership. Some felt I would not do a good job, but I am confident I brought my own vision to the meetings and made sure that if you had a point that you were heard. I encouraged you to argue your point and am extremely proud of that. This is what my terms as president were all about: getting all the members involved and making sure their points were heard. Please remember, it's not our role always to agree with other points – it's our role to listen and consider them in our decisions.

I look forward to working with Andy and the new board and will always be there for any member that needs my help. I'm not gone, just getting older!

Thanks for all your kind words and, as always, stay safe out there.

*Marcello*

# FROM THE TREASURER

by **Pablo Figueroa** | [pfigueroa@dc-fop.org](mailto:pfigueroa@dc-fop.org)

I hope everyone had a great Christmas and pray that everyone is having a happy and healthy New Year. I want to thank everyone for your support and participation in the past Lodge elections. I look forward to serving as your treasurer for another two years and providing all of our members with another term of great service and dedication.

My first big news for the beginning of 2016 is that as of Saturday, January 9, 2016, I officially retired from the Metropolitan Police Department as a Detective Sergeant with over 25 years of service. For me it was a great trek and experience. I love the job and I will miss many of the great people I have worked with over those years. But just as in many things in life, there is an end and it was time to move on to another stage of such life.

I am very pleased to inform you that members are taking advantage of the F.O.P. Legal Defense Plan. Many are familiar with this plan and currently have it. For those of you that are not familiar with it I will take a moment and provide you with a summary: This is a plan owned and operated by the National F.O.P. It is a plan to protect our members from any criminal, administrative and civil matters arising from their performance of duties. This will also cover our members while working overtime and off duty employment. The individual cost for this plan is \$286 a year for full coverage but the great news is that by us offering it through the Lodge, you can take advantage of the group rate for \$264 annually with a savings of \$22 per year.

This in no way replaces whatever the bargaining agreement you have. This is an additional means of protection for all of our Lodge members. To simplify the process even further the Lodge and the National F.O.P. have decided to do an annual group renewal date of the first week of October every year. This means that

*(continued...)*

## FROM THE TREASURER *(cont.)*

the member must provide the DC Lodge with a check made out to the F.O.P. Legal Defense Plan for \$264. If any member does not have the plan and would like to have it all they would have to do is prepare a check for the remaining months up to September 2016 for \$198 which would be a \$22 per month at the current rate. If the member obtains the plan in the month of February then it would be \$176, and so on. Then in October 2016 the member would be required to provide the Lodge with the renewal check in the amount of \$264 for the 12 month period to follow. If any member wants to take advantage of the group rate they have to pay the entire amount through the Lodge. The member still has the option to do it on their own but would be required to pay the higher rate for the individual plan. You may need the information shown at the right to complete the application.

If you need your Lodge membership number call the number provided and ask to speak with Nila or Sandy and they will provide you with your member number.

We are all working very hard to improve our services and representation and regardless of how much time on you have on or what agency you are with your thoughts and help are always welcomed.

Everyone needs to understand that we are committed to protect our members and their families. Social media has not been friendly to us, we are constantly under attack, and this is the time in which we have to let our members know we do have means and resources to protect our membership.

I would like to encourage all of our members to start visiting our web page ([www.dc-fop.org](http://www.dc-fop.org)) to stay updated on benefits offered by the lodge to include any future events sponsored by us.

May God continue to bless you all. I and the rest of the board members look forward to seeing you at our next general membership meeting, which is the second Wednesday of each month. 🌟

# POLICE FATALITIES

## 124 LAW ENFORCEMENT OFFICERS KILLED NATIONWIDE IN 2015\*

Law enforcement fatalities nationwide rose slightly during 2015, with 124 federal, state, local, tribal and territorial officers killed in the line of duty, according to preliminary data compiled and released today by the National Law Enforcement Officers Memorial Fund (NLEOMF) in their 2015 Law Enforcement Fatalities Report.

The 124 officer fatalities in 2015 represented a four percent increase from the 119 officers who died in the line of duty in 2014. Of the 124 officers who died this year, 52 died in traffic-related incidents, 42 were killed by gunfire and 30 died as a result of other causes.

The number of officers killed by firearms in 2015 (42) was 14 percent lower than the 49 who died as a result of gunfire in 2014. Traffic stops resulted in seven of those shooting deaths, more than any other category of felonious fatalities in 2015. Two of those officers, Benjamin Deen and Liquori Tate of the Hattiesburg (MS) Police Department, were gunned down in a traffic stop they conducted on May 9.

Ambush attacks against officers were the second leading cause of shooting deaths in 2015, accounting for six fatalities. Among them was Harris County (TX) Deputy Sheriff Darren Goforth, who was shot 15 times in an unprovoked attack after filling his marked cruiser up at a local gas station on August 28.

Fifty-two officers were killed in traffic-related incidents this past year, which was six percent higher than the 49 who died on roadways in 2014. Traffic-related incidents have been the leading cause of officer deaths in 15 of the last 20 years.

Thirty officers died due to other causes in 2015, including 24 who suffered from job-related illnesses—mostly heart attacks—while performing their duties. Also included among those 24 are four officers who died of illnesses they contracted as a result of their rescue and recovery work following the September 11, 2001, terrorist attacks.

### OVERVIEW

Law enforcement fatalities nationwide rose slightly during 2015, with 124 federal, state, local, tribal and territorial officers killed in the line of duty, according to preliminary data compiled and released today by the National Law Enforcement Officers Memorial Fund (NLEOMF) in their 2015 Law Enforcement Fatalities Report.

### \* NOTE

The data cited in this article is preliminary and will be updated in March 2016. For more information, visit [www.nleomf.org](http://www.nleomf.org).

## POLICE FATALITIES: 2015 *(cont.)*

There are more than 20,000 names of officers killed in the line of duty inscribed on the National Law Enforcement Officers Memorial in Washington, DC, dating back to the first known death in 1791. Over the past decade (2005-2014) the average annual number of officer fatalities has been 145. The deadliest year on record for law enforcement was 1930 when 300 law enforcement officers were killed in the line of duty. The last time officer fatalities dipped below 100 for a single year was 1944.

The statistics released are based on preliminary data compiled by the NLEOMF and do not represent a final or complete list of individual officers who will be added to the National Law Enforcement Officers Memorial in 2016. For a complete copy of the preliminary report on 2015 law enforcement fatalities, go to: [www.LawMemorial.org/FatalitiesReport](http://www.LawMemorial.org/FatalitiesReport).

### KEY DATA AS OF DECEMBER 28, 2015

- Traffic-related incidents were the leading cause of officer fatalities in 2015, with 52. This was a six percent increase over the 49 traffic-related deaths in 2014. Of these 52 officers, 35 were killed in automobile crashes, 11 officers were struck and killed outside of their vehicle and six officers were killed in motorcycle crashes.
- Firearms-related incidents were the second-leading cause of officer deaths in 2015, with 42. This was a 14 percent decrease from the 49 officers shot and killed in 2014.
- Traffic stops resulted in seven deaths, the leading felonious cause of deaths among officers in 2015. The other leading categories of felonious deaths in 2015 were ambushes (6), investigating suspicious persons or activities (5), disturbance calls (5), attempting arrests (4), inadvertent shootings (3), robbery (3), unknown (3), transporting suspects (2), burglary (2), investigative activity (1), and tactical (1).

“Each year as we issue this fatality report, we are reminded of the vital service and supreme sacrifice given by our nation’s law enforcement officers. There has been a lot of criticism and second-guessing directed at law enforcement this past year, but we must never forget that 124 officers gave up their lives for our safety and protection. Another 900,000 officers put their lives on the line every day. We owe all of those men and women a huge debt of gratitude.”

- Craig W. Floyd  
NLEOMF Chairman and CEO

*(continued...)*

## POLICE FATALITIES: 2015 (cont.)

- Of the 30 officers who died due to other causes this year 24 were caused by job-related illnesses; two officers died when they fell to their death; one officer drowned; one officer was electrocuted; one officer was beaten to death; and one officer died in an aircraft crash.
- During the past year, more officers were killed in Texas (12) than any other state; followed by Georgia (11); Louisiana (9); and New York and, California, with six each.
- Eight agencies experienced more than one officer fatality this year, including the Puerto Rico Police Department (5); Texas Department of Criminal Justice (3); Colorado State Patrol (2); Harris County (TX) Sheriff's Office (2); Hattiesburg (MS) Police Department (2); Kentucky State Police (2); New Jersey State Police (2); and New York City (NY) Police Department (2).
- Four correctional officers were killed in the line of duty in 2015.
- Six of the fallen officers served with territorial agencies; three served with federal agencies; and two served with tribal agencies.

# MEMBER SUPPORT FUNDS

FOP DC Lodge #1 has established three different funds focused on improving the lives and experiences of our members and the community; for example, providing immediate assistance to law enforcement officers in disaster-hit areas when needed, or making necessary repairs and upgrades to our important but aging lodge building. The funds are the Disaster Assistance Response Team fund, the Building Fund, and the Member Support Foundation. Please donate to these special support efforts. *Note: Currently, donations to these funds are not tax deductible, but we hope to change that status in the near future.*

## **DISASTER ASSISTANCE RESPONSE TEAM FUND**

The Disaster Assistance Response Team (D.A.R.T.) fund allows the Lodge to provide logistical and financial support to law enforcement members in areas that are affected by severe weather or other emergencies. D.A.R.T. swiftly responds to assist officers in recovery efforts and those who have suffered damage themselves as a result of the disaster.

## **BUILDING FUND**

The Building Fund is used for the required repairs and up keep of the DC Lodge #1 building. It is a beautiful building in a prime location with many years of wear and tear. It needs continual short-term maintenance and long-term plans to keep it functioning and in good shape; for example: roofing, HVAC, elevator, etc.

## **MEMBER SUPPORT FUND**

The Member Support Foundation funds will be used to render assistance to members upon written request to the lodge. Examples are for injury with an inability to work; a need for food and other basic necessities during a crisis; to help with uncovered medical bills, etc. This is a special opportunity to help our brothers and sisters when they need a hand.

by **Bonnie Cannon** | [bcannon@dc-fop.org](mailto:bcannon@dc-fop.org)

For Law Enforcement Appreciation Day (L.E.A.D.) on January 9<sup>th</sup>, the DC Auxiliary set up a breakfast table at the National Law Enforcement Memorial for law enforcement personnel across the Washington DC area. We were very pleased with the turnout and were able to meet and speak with several law enforcement people about the DC FOP Auxiliary and the FOP.

Our next event will be our yearly St. Patrick's Day corned beef dinner at the Lodge #1 on March 13, 2016. We expect a lot of people to show up again this year with their children to listen to music, play games, eat good food and have a specialty drink.

On March 19<sup>th</sup> from 2–5 pm at the Lodge we will be hosting a sign making event for the upcoming United For Blue rally, which will be on April 2<sup>nd</sup> this year. If you are interested in this event and you want more information, please contact Patty Sucato at [psucato@dc-fop.org](mailto:psucato@dc-fop.org). The FOP Auxiliary is one of the sponsors who will be listed on the banner being carried.

Our Local Law Enforcement Memorial Committee Chairman Patty Sucato is already working on the next Local Memorial which will be on May 9<sup>th</sup> this year at 10 am in front of the fountain at 300 Indiana Avenue, NW. Please save the date. This year we will be honoring three officers from Maryland – Officer Noah Leotta (Montgomery County), Brennan Rabain (Prince George's County) and Craig Chandler (Baltimore City). Please save this date – if you would like further information regarding this Memorial please contact Patty at [psucato@dc-fop.org](mailto:psucato@dc-fop.org). 🌟

## ABOUT THE AUXILIARY

The FOP Auxiliary is an ancillary organization of law enforcement officers. The Auxiliary is the only national support organization of its kind. It was organized to unite families of members of the Fraternal Order of Police; to promote their welfare socially, morally and intellectually; and to encourage them in all things pertaining to their good.

Anyone related to an active law enforcement officer is eligible to join. We ask that each of you sign up your spouses and family members. Dues are only \$15.00 per year.

# DC LODGE #1 HISTORY

In the Spring of 1915, most police officers in the United States were underpaid and overworked. Officers were prohibited from participating in labor organizations or strikes.

During those days, two police officers from Pittsburgh, Pennsylvania met and decided there was a need for an organization to improve working conditions and represent the thin blue line between crime and society. From that simple beginning, the Fraternal Order of Police was born and has grown to an organization with 275,000 members. The FOP is the largest law enforcement organization in the United States. Along with civilian associate members from all walks of life; the FOP of today continues to represent the interest of working police officers.

The Fraternal Order of Police Lodge DC #1 was chartered in 1966. The Lodge was later named after the first member killed in the line of duty, Officer Jerrard F. Young.

In November of 1977, the FOP Auxiliary to DC Lodge 1 was formed, to promote fellowship between police families. Their objective is to increase understanding between individual officers and their families. The Lodge offers a place to voice ideas and concerns. The Lodge promotes fraternalism and the opportunity to interact with fellow police officers.

The Lodge is composed of members from over 100 different law enforcement agencies and civilian associate members from all walks of life. The Lodge is involved in many community projects, charities and social functions as well as their efforts to improve law enforcement. 🌟

## A Brief History

In the Spring of 1915, most police officers in the United States were underpaid and overworked. Officers were prohibited from participating in labor organizations or strikes.

# ABOUT THE FOP STAR

The emblem adopted by the National Fraternal Order of Police is designed to remind the membership of the duties that are expected of them as a citizen, a police officer and a member of the Lodge. The five-cornered star tends to remind us of the allegiance we owe to our Flag and is a symbol of the authority with which we are entrusted. It is an honor the people we serve bestow upon us. They place their confidence and trust in us; serve them proudly.

Midway between the points and center of the star is a blue field representative of the thin blue line protecting those we serve.

The points are of gold, which indicates the position under which we are now serving. The background is white, the unstained color representing the purity with which we should serve. We shall not let anything corrupt be injected into our order. Therefore, our colors are blue, gold and white.

The open eye is the eye of vigilance ever looking for danger and protecting all those under its care while they sleep or while awake. The clasped hands denote friendship. The hand of friendship is always extended to those in need of our comfort.

The circle surrounding the star midway indicates our never-ending efforts to promote the welfare and advancement of this order. Within the half circle over the centerpiece is our motto, "Jus, Fidus, Libertatum" which translated means "Law Is a Safeguard of Freedom." ☆

## POLICE WEEK VENDOR INFO

Jerrard F. Young District of Columbia Lodge #1  
Fraternal Order of Police  
711 4th Street, NW Washington, DC 20001  
Police Week 2016

Dear Vendors,

The site for this year's 2016 *Police Week* will be located just a few blocks from the Washington Nationals Stadium at the corners of 1st and 2nd streets SW and T streets SW: one block from last year's location.

The address for your GPS is 1880 2nd Street SW Washington DC.

Each vendor space is 10' by 10' and includes a white **tent and power to the booth**. The tent fees reflect the price. All vendors for this event will require merchandise to be sold from the tent that is reserved.

There is plenty of paid street parking with 12 hour meters while evening hours are free. Parking is payable by phone by downloading the Mobile Park App and will be a convenient walk to your booth. There will be paid parking in the area as well.

This is an outdoor venue; book sellers and music sellers do not do well and will not be sold a booth.

The site will be surrounded by fencing and DC FOP #1 will continue to provide the bar, the food area, and the music. We are looking forward to a great event again this year.

Please fill out the forms below, mail to the lodge with a check or money order payable to DC FOP Lodge #1 or may also scan and send a copy to [marroyo@dc-fop.org](mailto:marroyo@dc-fop.org). New this year is the option to pay with credit cards through PayPal. The link to payment can be found on our website, <http://www.policeweek.org/vendors.html>

I thank you for your support and look forward to seeing you again this year.
