FROM THE PRESIDENT

by **Andy Maybo** | amaybo@dc-fop.org

Dear Brothers and Sisters,

The state of the Washington DC Lodge is **STRONG** and continuing to grow stronger as the days go by. When I took over as President last January in 2016, my Board of Directors and I were tasked with many difficulties, both socially and financially. Over the past year we have made some tough decisions. However, I am pleased to report that we are taking the Lodge in the right direction and overcoming some of the shortfalls we faced.

Throughout the past few years, DC Lodge #1 has been faced with many unexpected financial burdens. We have had to replace the elevator, replace the heating and air conditioning, and fix the roof; as well as having numerous unforeseen expenditures, from broken pipes to fixing the front door. This put a major financial burden on the Lodge.

In addition, I was faced with handling many situations that were creating, in large part, the financial strains the Lodge was experiencing. Some Labor Committees were not paying on time and others weren't paying the correct amount. The largest fiscal strain I faced was that our Club was continuing to fail financially. I am proud to say many of these issues have been addressed and corrected, strengthening the Lodge's financial position. All Labor Committees are paying the correct amounts, most Labor Committees are paid in full for their membership, and the ones who are not paid in full are working with us. Finally, some difficult decisions were made about the Club.

Over the past year, I, along with the Board of Directors, realized that the Club was financially burdening the

Lodge to the point that we could no longer sustain providing the subsidy we had been providing for many years. Just as a base example, the Club made \$85,000 in 2016 and paid out over \$115,000 in salaries. This doesn't even include Club expenses, daily operating costs, and fees/taxes. The Lodge subsidized this difference year after year. Unfortunately, our Club has faced many hurdles over the past years, which has resulted in these losses. With fewer officers going to court in the morning, our breakfast hours took a major hit. All of the nearby construction has further limited parking around the Lodge and lunch and dinner began to suffer more. Although the bar was still doing a decent business on Thursday and Friday nights, the restaurant portion of the Club was failing. Realizing that we had to subsidize the Club over \$100,000 a year with money from dues, the decision was made in 2017 to close the restaurant and just keep the bar open only on Wednesdays, Thursdays and Fridays.

I have vowed as President to always have the best interest of the membership at heart. I couldn't continue knowing that so much money was going into the restaurant when most our membership never utilized it. The decision to close the restaurant came with some devastating and heartbreaking decisions. We had to terminate two of our long-term employees at the Lodge who had been with us for over 25 years each. This was heartbreaking for us all, but they still return on occasion to work banquets and special events.

With the changes to the restaurant and bar, the Lodge is saving an enormous amount of money and I'm proud to say we are starting to show a profit from the Club for the first time in years. We are now exploring the possibility of serving a very basic menu while the bar is open.

FROM THE PRESIDENT (cont.)

One issue, which has always been difficult to conquer, is communications both within the Lodge and with our membership. We utilize Constant Contact as an email option to reach our membership. However, if our members are not signed up they do not receive the information. With close to 10,000 email addresses, we currently show a 20% read rate. Even when we printed an actual Simulcast newspaper most members stated they never read it. We can only do so much to make the membership aware of what we are doing and how we are doing it. Each member bears a responsibility to keep their information updated within the Lodge and to read the information that is disseminated. Communication will always be a challenge for all of us.

The Lodge has been involved with numerous fund raisers and community events throughout the past year. We have raised over \$8,000 for Make-A-Wish Foundation, and we donated well over 1,500 toys to Washington DC Central Mission Operation Christmas Miracle. We have raised tens of thousands of dollars for members in need through *Go Fund Me* efforts, and we had an extremely successful year with our National Night Out involvement. These are just a few examples of the ways we have given back to our membership and the community we serve.

I am also proud to announce that we will be starting a scholarship fund for members' children attending their first year of college. Although we do not yet know the dollar amount or number of scholarships, I plan to advertise them within the next two months. The process will be competitive, with a scholarship committee in place to do the selection. This is just another way for us at the Lodge to give back to its membership.

With the tough stuff behind us, I now want to move forward with unity and vision for the Lodge. It's time my Board takes the Lodge into the future with financial

stability, a strong reputation and an overall authoritative stance when supporting our own. My goal is to have Labor Committee Chairs, Agency Trustees, and all Board of Directors to join us in making 2017 our best year so far. The Fraternal Order of Police has a rich history in Washington, DC and I will not let this organization diminish or become extinct.

In closing, I believe it is prudent to remind everyone that there are too many external forces and agencies for us to be against each other in the FOP. Now is the time we all must unite and stand up against those who are bringing us, our agencies, and the FOP down. We are FOP Strong!!!

God Bless you and please be safe!

Fraternally,

Andy Maybo
President

FROM THE VICE-PRESIDENT

by **Mike Murphy** | mmurphy@dc-fop.org

Dear Brothers and Sisters of Lodge #1,

As I write this our FOP Lodge family has been struck with tragedy. As many of you will have already heard by the time you read this article, we have lost a truly wonderful friend and colleague Nila Ritenour and her daughter Melissa to a car accident on April 13, 2017. Also injured in the car accident were Nila's grandson (Melissa's son), and a longtime friend, Phyllis L. Grimes (DOC). Please pray for all.

On Wednesday, April 12, 2017, the lodge hosted its monthly general membership meeting. During the meeting the welfare and state of the lodge was debated with a motion on the floor to close the Club portion of the Lodge (the motion did not pass.) As stated in the meeting the Lodge on a whole is moving forward in the right direction and forecasts a bright future for the Lodge if we continue to stay on the path. In a draft quarterly budget projection the Lodge has been able to curve costs by approximately 60K for 2017, compared to the same time frame in 2016. The final numbers won't be available until the June meeting and end of quarter, but things are definitely looking forward for us as a Lodge. I am proud of our Board of Directors, members of the Executive Board, Club Committee, volunteers, and members that have made such an immediate impact on what we are trying to accomplish. We do have a long road ahead of us, but it is an encouraging start to our new year. As always, our Lodge members have come together to make things happen when we needed them the most.

On March 12, 2017, the St. Patrick's Day Parade activities were a success at the Lodge because of the Auxiliary, volunteers and members who attended. As many have

pointed out, the family participation continues to increase as word spreads on the kid-friendly atmosphere of the event. Additional compliments came in for the selection of food and drink specials in place. I do believe that thanks are due to Mrs. Bonnie Cannon who spearheads the annual event. So, "Thank You Bonnie and all that you do!" The St. Patrick's Day event continues to be a great success and a fun day for all who participate. See you next year!

In closing, I would hope that all of you enjoyed the new FOP shirts for St. Patrick's Day. This was a huge success for the Lodge, and so much of a success that we will be coming out with two new versions of shirts in coming weeks. Additionally, we may look at creating other swag such as FOP cups, mugs and much more, so stay tuned, thank you and be safe.

Please all be safe, fraternally,

Mike Murphy
Vice President

FROM THE TREASURER

by **Pablo Figueroa** | pfigueroa@dc-fop.org

It is with a heavy heart that I begin this article. We at the Lodge have lost two of our members to a sudden tragedy. Nila and Melissa Ritenour were both involved in a fatal accident – we are all shocked and saddened by the sudden loss. We have been working collectively with our Lodge president to support the survivors during this extremely painful time. If you have any desire to help please make your concerns known to President Andy Maybo (amaybo@dc-fop.org) since he is coordinating all assistance from the Lodge to the family and friends.

On another note, we continue to work very hard as National Police Week approaches. You should be aware that your Lodge is in full throttle with plans to give all attendees and volunteers a wonderful experience at this event. I truly am looking forward, along with the rest of our staff and supporters, to making this event better than the last. This is our goal every year.

We really could use more volunteers in every area. If you have never volunteered before please consider it. It is a lot of work but the experience is a great one since we have fun serving others and being together.

I also want to ask each one of you to check out our web site regularly (www.dc-fop.org) as we work to improve and increase the knowledge for our members about what benefits the Lodge has to offer. We are working diligently to bring the entire Lodge to new heights when it comes to services and benefits. This is by no means an easy task, so your patience and continuing support are greatly appreciated.

I also urge everyone to remember that our responses to requests might be a little delayed since we are working on audits, Police Week and the upcoming National conference.

Thank you for your support as we continue to strive in providing you and our entire membership with the service that you all deserve. Most of all, thank you for allowing me the opportunity to continue to serve you as your treasurer. ★

FROM OUR CHAPLAIN

by **Joseph (Jody) Stimmell** | jstimmell@dc-fop.org

A year has passed since I took over as chaplain for our Lodge and what a year it was. There hasn't been in recent years a year where we have had so many assaults and ambush style attacks on police officers with such deadly outcomes. In the first half of the year shooting deaths were up 78%, but unfortunately a common stat that didn't change that much was the average age and time on the job. You would think it would be the young officers – or as us old timers would say, the rookies – as the most affected group; but no, the average age was 41 years old and the average time on the job was 13 years and 3 months. A year when law enforcement and police officers were so vilified and hated by the public. A year when news and social media kept stirring the pot, keeping emotions high in our society. A year when a single incident could spark a riotous event between the public and police. A year when police departments throughout this country were struggling to keep their manpower levels up when the numbers of applicants and the desire to become a police officer dwindled. So many police departments are asking us in law enforcement to fill in the ranks and continue on, wear more hats, and pick up the slack – doing more with less.

You can argue that the near future looks bleak without much promise for us in law enforcement, but we didn't sign up for a cake walk nor take an oath to protect and serve on easy street. We raised our right hands and swore to protect those who couldn't defend themselves and serve those who needed our guidance, care and compassion; to be the guardians of society, the sheep dogs protecting the flock, the last line of defense when everyone else can sleep at night knowing we are out here keeping them safe. I have stated this before: we are fathers and mothers, brothers and sisters, sons and

(continued...)

FROM OUR CHAPLAIN (cont.)

daughters, as well as neighbors and friends. We don't suit up every day for the public's approval and God knows we don't do it for the money; we do it because it is our calling. We do it because we believe in words like Honor, Integrity, Bravery, Community and Service. We do it because someone has to protect and serve our nation's communities and be the last line of defense. We as police officers and law enforcement have chosen to be warriors, and warriors don't hang up their hats because of the opinions of others no matter how many or loud they become. We have to hold the line – the *thin blue line* – remembering that without us there would be anarchy. Also one of the reasons it is called the *thin blue line* is because only a few can do what we have chosen to do as a profession. It is a talent that not many have: moving forward into danger, making sense out of chaos, and turning tragedy into relief. By the time this article is published I will have proudly served 27 years as a police officer, and Brothers and Sisters I am truly honored and humbled to be part of such a noble and proud profession and be surrounded by you, my fellow officers on this life journey.

Police Week is a time for Law Enforcement, their families, and the rest of the world to remember those who made the ultimate sacrifice in the performance of their job. Remembering that their sacrifice is as painful to us as the survivors will not be minimized and will be acknowledged every year. The names of 234 fallen officers will be added to the National Police Memorial this year. There is a saying that all police officers gave some, but 234 brother and sister officers gave all. As we have done since 1982 we will honor and pay tribute to our fallen heroes and mourn their passing. We also need to celebrate their lives and what these heroes accomplished and who they touched during their time with us. With heavy hearts let us come together and pray for our fallen heroes. Tell the families of our fallen that

(continued...)

FROM OUR CHAPLAIN *(cont.)*

we are grateful for their service and remind them that even though our brother or sister is no longer here they are still family and can call on each and any one of us if they are in need. The one constant I could count on as a police officer was if I needed backup, whether on or off duty, it came with lights and sirens on. So if we have members or families in need, let us not give any less than we would've for our fellow officers. It is another constant that when someone needs serious help, they new the best person to call was a police officer. We as officers know this to be true, but our country and society might be having some memory loss forgetting this fact. We are called to make miracles happen, fix what can't be fixed and bring order to chaos. As police and law enforcement we should be very, very proud of that. WE ARE A BREED APART!! Brothers and Sisters, remember as always, be safe out there, watch your six and always remember Rule Number #1.

I leave you with a Police Officer's Prayer:

Lord, I ask for courage –

Courage to face and conquer my own fears,
Courage to take me where others will not go.

I ask for strength –

Strength of body to protect others, and
strength of spirit to lead others.

I ask for dedication –

Dedication to my job, to do it well,
Dedication to my community, to keep it safe.

Give me, Lord, concern for those who trust
me, and compassion for those who need me.

And please, Lord through it all, be at my side. 🌟

"It is fitting and proper that we express our gratitude for the dedicated service and courageous deeds of law enforcement officers and for the contributions they have made to the security and well-being of all our people." This was said by President John F. Kennedy on October 1, 1962 when he signed into law, National Peace Officers Memorial Day.

Since the first recorded death of a police officer, Constable Darius Quimby in 1791, 22,848 law enforcement officers have sacrificed their lives serving the communities and this Country that they swore an oath to protect. During National Police Week we honor their lives and honor the survivors they leave behind.

Over the last 13 years, I have been honored to be a member of the police department that hosts National Police Week, and the thousands of police officers from around the world that converge here every year.

As law enforcers, we are the thin blue line separating the criminal element of our society, those who have no regard for public safety or the law, from the rest of the law-abiding communities and citizens we serve. We do this as our chosen profession even though our existence is not popular. We do this while our chosen profession is demonized in the media. We do while our chosen profession is trampled in the court of public opinion. We do this while our chosen profession is weakened through political influence. But the simple fact is, WE STILL DO IT, not for fame or glory, not for fortune or wealth, not for any other reason but this is our chosen profession. We are the sheepdogs, strong and courageous, protecting those who can't protect themselves from the wolves. WE ARE THE THIN BLUE LINE.

FROM THE DC POLICE UNION (cont.)

Police Week is filled with many events, it's a time when we can feel safe amongst our peers and have fun with the Brothers and Sisters we don't get a chance to see very often. It's a time to remember our friends who have been called home, and be a shoulder to cry on for those still grieving.

Every year, I take the time to remember my friends, Trooper Robert Perez Jr., Sergeant Gerard Burke Jr., Officer Wayne Pitt, Officer James McBride, and all the other MPD Members who have died in the line of duty, sacrificing their lives in the service of their communities. I visit each and every one of them at the National Police Officer Memorial, say a prayer for their soul and their survivors, and I ask that each and every one of you take the time to remember your lost friends and reflect on the sacrifices police officers throughout the country make every day.

I hope that you each and every one of you have a memorable and safe Police Week, take the time to thank a survivor for their lost loved ones service and wear your badge of honor with pride. 🌟

In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week. Currently, tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events which honor those that have paid the ultimate sacrifice.

The Memorial Service began in 1982 as a gathering in Senate Park of approximately 120 survivors and supporters of law enforcement. Decades later, the event, more commonly known as National Police Week, has grown to a series of events which attracts thousands of survivors and law enforcement officers to our Nation's Capital each year.

The National Peace Officers' Memorial Service, which is sponsored by the Grand Lodge of the Fraternal Order of Police, is one in a series of events which includes the Candlelight Vigil, which is sponsored by the National Law Enforcement Officers Memorial Fund (NLEOMF) and seminars sponsored by Concerns of Police Survivors (C.O.P.S.)

National Police Week draws in between 25,000 to 40,000 attendees. The attendees come from departments throughout the United States as well as from agencies throughout the world. This provides a unique opportunity to meet others that share a common brotherhood. In that spirit, the Fraternal Order of Police DC Lodge #1 sponsors receptions each afternoon and evening during Police Week. These events are open to all law enforcement personnel and are an experience unlike any other.

MEMBER SUPPORT FUNDS

FOP DC Lodge #1 has established three different funds focused on improving the lives and experiences of our members and the community; for example, providing immediate assistance to law enforcement officers in disaster-hit areas when needed, or making necessary repairs and upgrades to our important but aging lodge building. The funds are the Disaster Assistance Response Team fund, the Building Fund, and the Member Support Foundation. Please donate to these special support efforts. *Note: Currently, donations to these funds are not tax deductible, but we hope to change that status in the near future.*

DISASTER ASSISTANCE RESPONSE TEAM FUND

The Disaster Assistance Response Team (D.A.R.T.) fund allows the Lodge to provide logistical and financial support to law enforcement members in areas that are affected by severe weather or other emergencies. D.A.R.T. swiftly responds to assist officers in recovery efforts and those who have suffered damage themselves as a result of the disaster.

BUILDING FUND

The Building Fund is used for the required repairs and up keep of the DC Lodge #1 building. It is a beautiful building in a prime location with many years of wear and tear. It needs continual short-term maintenance and long-term plans to keep it functioning and in good shape; for example: roofing, HVAC, elevator, etc.

MEMBER SUPPORT FUND

The Member Support Foundation funds will be used to render assistance to members upon written request to the lodge. Examples are for injury with an inability to work; a need for food and other basic necessities during a crisis; to help with uncovered medical bills, etc. This is a special opportunity to help our brothers and sisters when they need a hand.

UPDATE: LODGE #1 AUXILIARY

by **Bonnie Cannon** | bcannon@dc-fop.org

Happy Spring!

Our St. Patrick's Day party was a success. We were also able to recruit some new members for our Auxiliary. This yearly event is a wonderful time for FOP members and Auxiliary members to get together and get to know one another.

I recently attended a DC Memorial project meeting in which part of the discussions included restoration of the Council of Government Memorial Fountain in DC where we do our annual Local Law Enforcement Memorial every year. I am so proud of our Auxiliary's ability to be a part of this project in some way and am looking forward to future meetings on this matter.

This is a reminder that we will be co-hosting the 38th Annual Washington Area Law Enforcement Officers Memorial Service, which starts at 11:30 a.m. at DC MPD Headquarters, 300 Indiana Avenue, NW, Washington, DC. The Honorees this year will be Corporal Harvey Snook III (Arlington County, VA), Officer Ashley Marie Guindon (Prince William County, VA), Corporal Jacai David Colson (Prince George's County, MD), Senior Deputy Mark Franklin Logsdon (Harford County, MD), and Senior Deputy Patrick Bryan Dailey (Harford County, MD). Our guest speaker will be Chief Thomas Manger, Montgomery County, MD) and our emcee will be Alison Starling from WJLA 7. We will be hosting a luncheon at the nearby DC FOP Lodge after the service.

We are also getting ready for Police Week and hope that if you are in DC during that time you can make it by our booth. We will have three raffles and several items for sale this year.

ABOUT THE AUXILIARY

The FOP Auxiliary is an ancillary organization of law enforcement officers.

The Auxiliary is the only national support organization of its kind.

It was organized to unite families of members of the Fraternal Order of Police; to promote their welfare socially, morally and intellectually; and to encourage them in all things pertaining to their good.

Auxiliary membership is extended to family members, 18 years of age or older, of an Active member of the Fraternal Order of Police DC Lodge #1 in good standing. Active status will be verified before accepting any membership applications.

UPDATE: LODGE #1 AUXILIARY (cont.)

Finally, our Auxiliary is excited to say that we have been working on a fundraiser idea for the National Auxiliary and once approved we will put it in our report.

LEGISLATIVE COMMITTEE

by **Steve Franchak** | psfm15@verizon.net

On February 13, 2017, we had the briefing for the 115th Congress Day on the Hill.

After a welcome greeting from DC Lodge 1 Vice President Mike Murphy, National President Chuck Canterbury spoke on the importance of the National Day on the Hill. He explained the different forms of communication with our representatives: a face-to-face meeting is better than a phone call, a phone call is better than a letter, a letter is better than an email, and a personal email is better than a form email.

National FOP Secretary Pat Yoes also attended the briefing.

Senior Legislative Liason Tim Richardson and Legislative Liason Mike Martin briefed over 100 officers from across the nation on our legislative priorities. Both also emphasized that after individuals meet with their representatives or staff they should notify them with contact information and their opinions on whether the representative would support our legislative positions. This would provide National an opportunity to follow up with the representative.

As always you can follow our legislative positions on Grassroots, Facebook or Twitter. It is never too late or too early to contribute to the National Legislative PAC.

Be Safe! 🌟

NATIONAL FOP: Steve Young Law Enforcement Legislative Advocacy Center

The Fraternal Order of Police is the largest organization of law enforcement professionals in the United States. The FOP maintains an office in Washington, D.C. on Capitol Hill, where a full-time professional staff actively lobbies Congress and the Administration on the issues most important to rank-and-file law enforcement officers. The National Legislative Program is the most active and comprehensive of any law enforcement organization in Washington.

UNITED FOR BLUE RALLY '17

by Shannon Wince

On April 8, 2017, United for Blue held its Third Annual Law Enforcement Support Rally. Families, friends and supporters gathered at the National Law Enforcement Officers Memorial to honor both our fallen officers, and those who dedicate their lives every day to serve and protect. The event began on a beautiful sunny Saturday with Patrick Mason singing the National Anthem. Reverend Monsignor Salvatore Criscuolo gave the invocation. MPDC Assistant Chief Missouri spoke about how proud she is of our MPDC Officers, not only for their commitment to protect our communities, but for their outreach within the communities to help build relationships. Andy Maybo, president of the Fraternal Order of Police Lodge #1, delivered a heartfelt speech supporting our law enforcement officers and the dangers they run towards to save others. Our men and woman in blue are true heroes. Craig Floyd, president and CEO of the National Law Enforcement Officers Memorial, spoke about the challenges our officers are up against and those who have lost their lives in the line of duty.

After the heartfelt introduction, the organizers marched to the U.S. Capitol, led by the Metro Richmond Police Emerald Society Pipes & Drums. People gathered along the sides of the streets watching and waving as the march passed by. Turning onto Pennsylvania Avenue, they settled in looking upon the Capitol. Joined by many on-lookers, they stopped to listen to the speakers as they told stories of community outreach and of unity amongst the police and the citizens. At the ceremony outside of the Capitol, Patrick A. Burke, executive director of D.C. Police Foundation, spoke about the “untold stories” of our police officers. For example, accompanying 120 inner city kids to the circus, and 100 to Luray caverns, and hosting a financial literacy class in Southeast DC were described as unseen efforts by officers to bond with their

community. Burke stated "Be proud of this profession and the great work you do everyday! Get to know each other and take care of each other – especially those friends suffering from stress that this career can bring". This event, like so many others organized by United for Blue since its establishment, brought attention not only to the perils officers face every day when they put on their uniform, but also the services they perform for the community that so often go unrecognized. The goal of United for Blue and of these rallies is stated clearly in the name of the organization. It is about Unity, and about showing the community that the officers who serve them are not only their protectors and public servants, but also their friends.

Guest speakers included Kevin Carroll, President of Virginias Fraternal Order of Police. Thomas Hansen, Lieutenant Jefferson County Sheriff's Officer and Past President of Fraternal Order of Police Lodge 83. Tom Berry, President and Founder of Blue Alert and Tracie Johnson-Farrell, Supervisory Senior Policy Analyst Cops Blue Alert Team U.S. Department of Justice, Community Oriented Policing Services.

Several survivors came out to tell their stories. Pat Kelly, daughter of Police Officer Joseph V Kelly (EOW 2/21/71) and Michelle Dermyer, wife of Virginia State Trooper Chad Dermyer (EOW 3/31/16) spoke about their losses in great detail and how hard it was on their families after receiving the call that would change their lives. Michelle spoke about support the blue family has given to her and her children, as well as her experience with C.O.P.S. (Concerns of Police Survivors, a non profit organization dedicated to helping the survivors of fallen officers). She showed amazing strength and courage as she told her story. Michelle vowed to make it her mission to honor her husband Chad by speaking out and helping others who lost loved ones in the line of duty, and to help unite community and officers and show the side they don't

normally see. Our last guest speaker, Lisa Rager, wife of Johnstown Police Officer Shawn Rager (EOW 10/13/16) stood in tears as she spoke how everything can change in an instant. Spreading the message to always love and hug your loved ones, never take anything for granted.

These stories touched the hearts of everyone listening, bringing into perspective the impermanence of life, and the risk that is taken every day by the men and women who serve the citizens of the community.

A Governor's Citation from the State of Maryland was presented to United for Blue by Governor Hogan and the citizens of Maryland as a tribute, commending their efforts honoring the officers and providing support for communities in need.

Although Congressman Clay Higgins was unable to attend the rally as planned, he sent a video to show his support. His video can be found on our facebook page www.facebook.com/unitedforbluecorp and our website at www.unitedforblue.org

After a beautiful day at the US Capitol honoring our law enforcement officers, we gathered at the Fraternal Order of Police Lodge-One for food and fellowship.

Special thanks to:

FOP Lodge-One for their donation of food after the rally. Andy Maybo, FOP Lodge-One President, for all his help and advice along the way. Thank you for always being there and supporting us.

Thank you to Marcello N. Muzzatti, who has been there from the beginning. Providing equipment, chairs, and being the MC every year, too much to mention.

UNITED FOR BLUE RALLY '17 *(cont.)*

Donna Giulian President of the Fraternal Order of Police Auxiliary Lodge 5 Philadelphia for supporting United for Blue and once again organizing a bus rental to bring dozens of members and supporters to the rally.

Additional thanks to all who came out to speak on behalf of our officers and our community, and the brave survivors who came to share with us their tales so that others may understand the dangerous faced by our officers everyday.

Untied for Blue would also like to thank all our DC Metropolitan Police Officers, U.S. Park Police and U.S. Capitol Police for all their help during the rally, protecting us and escorting us to the U.S. Capitol.

Without the continued support and contributions, events like this would not be possible. United for Blue has once again accomplished a feat of bringing together police and community. Spreading the message of unity that is so important these days. We hope to have many more successful events.

Thank you for all you do and please stay safe out there!

DC LODGE #1 HISTORY

In the Spring of 1915, most police officers in the United States were underpaid and overworked. Officers were prohibited from participating in labor organizations or strikes.

During those days, two police officers from Pittsburgh, Pennsylvania met and decided there was a need for an organization to improve working conditions and represent the thin blue line between crime and society. From that simple beginning, the Fraternal Order of Police was born and has grown to an organization with 275,000 members. The FOP is the largest law enforcement organization in the United States. Along with civilian associate members from all walks of life; the FOP of today continues to represent the interest of working police officers.

The Fraternal Order of Police Lodge DC #1 was chartered in 1966. The Lodge was later named after the first member killed in the line of duty, Officer Jerrard F. Young.

In November of 1977, the FOP Auxiliary to DC Lodge 1 was formed, to promote fellowship between police families. Their objective is to increase understanding between individual officers and their families. The Lodge offers a place to voice ideas and concerns. The Lodge promotes fraternalism and the opportunity to interact with fellow police officers.

The Lodge is composed of members from over 100 different law enforcement agencies and civilian associate members from all walks of life. The Lodge is involved in many community projects, charities and social functions as well as their efforts to improve law enforcement. 🌟

ABOUT THE FOP STAR

The emblem adopted by the National Fraternal Order of Police is designed to remind the membership of the duties that are expected of them as a citizen, a police officer and a member of the Lodge. The five-cornered star tends to remind us of the allegiance we owe to our Flag and is a symbol of the authority with which we are entrusted. It is an honor the people we serve bestow upon us. They place their confidence and trust in us; serve them proudly.

Midway between the points and center of the star is a blue field representative of the thin blue line protecting those we serve.

The points are of gold, which indicates the position under which we are now serving. The background is white, the unstained color representing the purity with which we should serve. We shall not let anything corrupt be injected into our order. Therefore, our colors are blue, gold and white.

The open eye is the eye of vigilance ever looking for danger and protecting all those under its care while they sleep or while awake. The clasped hands denote friendship. The hand of friendship is always extended to those in need of our comfort.

The circle surrounding the star midway indicates our never-ending efforts to promote the welfare and advancement of this order. Within the half circle over the centerpiece is our motto, "Jus, Fidus, Libertatum" which translated means "Law Is a Safeguard of Freedom." ★
