FROM THE PRESIDENT

by **Sean Rosa** | srosa@dc-fop.org

Brothers and Sisters,

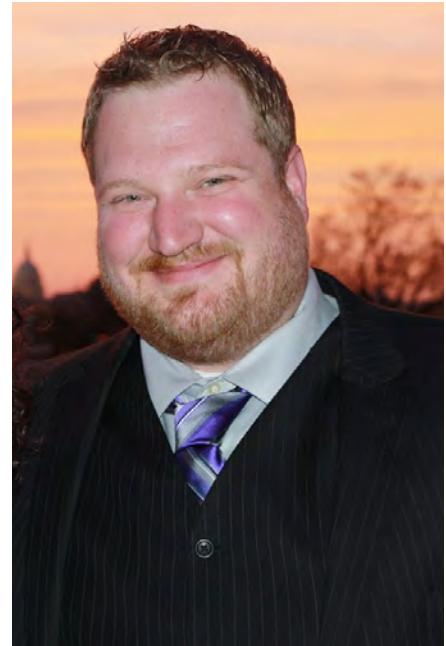

I hope this message reaches you all well. I wanted to take the time to reach out and let you know what I have been doing since I took office one month ago. It has been a very busy but productive month.

I spent several days in Nashville, Tennessee at the FOP's annual Leadership Matters Conference learning how to best represent the members of our Lodge. This training was highly informative and helpful. While there I also had the pleasure of meeting FOP members from across our nation, as well as our National Board.

I was also able to help out Trustee Michael Kruggel while he was selling the 2018 Police Week Jack Daniel's bottles. These bottles turned out to be amazing this year. If you have not done so already, I suggest visiting the Lodge web site and ordering yours now, as they are selling fast. Another big Police Week announcement this week is that we have secured a contract with RFK Stadium Lot 8, and DC Lodge #1 Police Week activities will be held there this year. Hopefully, we will be able to secure the site in the future as well, since we lost our old site to the new soccer stadium. I am very excited about this move as it will give us a larger site to expand our vendors, as well as ample parking and Metro access.

The Club has been doing much better. It opened a few times for breakfast so that we can gauge whether or not to attempt to go back to opening full time again. Super Bowl Sunday drew a very large crowd and all had a great time, which made me very happy. I would like to see the same type of crowd for upcoming planned events, like St. Patrick's Day, Cinco de Mayo, etc. Please check your emails or visit our web site for info on upcoming events.

FROM THE PRESIDENT *(cont.)*

Finally, I spent two days working with the National FOP on the Annual “Day on the Hill” event. I had the honor of welcoming FOP members from all across the country to our Lodge as they prepared to meet their respective Congressional and Senate leaders. It made me proud to see so many of our members taking their personal time to come to Washington DC in an effort to make change for our Brothers and Sisters. I also took the opportunity to meet Representative Eleanor Holmes Norton at the Rayburn House Office Building. She said she was happy to have a meeting, as she had not met with the FOP in many years. We discussed many bills and their effect on our Members. Some things we agreed upon, others we most certainly did not. However, in the end I left feeling that I now have an open line of communication, which may come in handy in the future.

Again, thank you Brothers and Sisters for the opportunity to serve as your president. Stay safe and I hope to see you all soon, either at the Lodge or during Police Week.

Fraternally,
President Sean Rosa ★

FROM THE VICE PRESIDENT

by **Robert Berretta** | rberretta@dc-fop.org

2018 is in full swing and before too long the cold weather will pass, giving way to a very busy spring season for us all, including Saint Patrick's Day, Opening Day, and—of course—National Police Week, just to name a few.

I'm very much looking forward to Saint Patrick's Day as the one day I get to be Irish! As a matter of fact, for the second consecutive year I will be marching in the Saint Patrick's Day parade in New Orleans with members of the Emerald Society! But prior to that I hope to see many of you at the DC FOP Auxiliary's Annual Corned Beef, Cabbage and Potatoes Dinner on March 11, from Noon to 5pm in the Banquet Room at the Lodge. I plan to arrive as soon as our very own Saint Patrick's Day parade downtown concludes. It's a great event and a great way to support our Auxiliary!!

On January 24, 2018, Sean Rosa and I met with Stephen Edenbaum. He is a long-time staunch supporter of the FOP and you may have seen him at the Expo portion of the 63rd Biennial National Conference last August in Nashville, Tennessee. Some of you even may recognize his name as he has addressed a couple of General Membership meetings in the past about the BankMobile Program.

BankMobile is quickly becoming the preferred method of banking in this day and age, especially with our younger tech-savvy members. The specifics of this program may be found under the Members tab on our web site (www.dc-fop.org) but I must reiterate that our Lodge benefits directly from

(continued...)

FROM THE VICE PRESIDENT *(cont.)*

members utilizing the BankMobile platform for their banking needs—\$5 per account, per month to us!

That being said, the subject of our meeting that particular day was Steve's newest venture with Equity Prime Mortgage. There are a great number of benefits to this program, which may be viewed in this edition of the Simulcast and our web site, the least of which is a \$100 contribution to our Lodge for every loan that closes! This benefit is not just available to us, but to our friends and family as well. It's truly a tremendous program and I sincerely hope that you, your family, and friends can take advantage of it in the future.

At this time I'd like to report that I've had a few individuals reach out to me regarding vacant Agency Trustee positions. It's a start, but there is still a long way to go toward my goal of filling ALL these positions. The vacancies are listed on the next page. With that, if you happen to know anyone in those agencies that may be interested, please direct them to me at rberretta@dc-fop.org or 202-437-8253.

For now I've got my eye focused on the calendar, specifically on March 20, which is the first day of spring. I hope we can all make it through the rest of this winter season unscathed by Mother Nature. Please be safe out there. 🌟

OPEN TRUSTEE POSITIONS

After the DC FOP Lodge #1 elections of November 2017, many agency trustee positions remain unfilled. The job of the agency trustee is to attend the meetings and respond back to the agency with the information. If you or someone you know is interested, please contact Robert Berretta at rberretta@dc-fop.org or 202-437-8253.

FROM THE TREASURER

by **Pablo Figueroa** | pfigueroa@dc-fop.org

I want to thank everyone for your continued support of our Lodge during the tough decision-making that is currently taking place. We look forward to continuing our dedicated service to our members.

From a financial point, I am pleased to announce that the Lodge has initiated the 2017 audit and we continue to improve the management of our finances. We are moving our Lodge forward, not just financially but also in services provided to all of our members.

I am pleased that members are taking advantage of the FOP Legal Defense Plan. Many are familiar with and enjoy the benefits of this plan. As a reminder, this plan is owned and operated by the National FOP and provides member protection from any criminal, administrative and civil matters arising from their performance of duties. This plan also covers members while working overtime or off-duty employment. The individual cost is \$286 a year for full coverage, but when purchased through the Lodge we are able to offer it to you at the group rate of \$264, with a savings of \$22 per year. For more detailed information please contact Sandy at the Lodge at smarroquin@dc-fop.org.

We are all working very hard to improve our services and representation. Please remember that regardless of how many years you've worked or what agency you represent, your help is always welcome. Police Week is fast approaching and we could use your assistance. Please consider volunteering at the Lodge to prepare and organize this very special event that we host, and provide support to the survivors of our Fallen Officers.

I encourage all members to start visiting our web page to stay updated on benefits and events offered by the

Lodge. Please take a look at the benefits available to our members, which include estate planning, FOP travel, a VSP eye plan, and the Delta Dental plans that are available at reduced rates and savings. We will update you through our web site and e-mails, and continue our efforts to provide even more benefits for our members.

I look forward to seeing you at our general membership meetings, which are the second Wednesday of each month at 7pm at 711 4th Street, NW, Washington, DC. Best wishes to all and please remain aware of your surroundings. Remain safe as you provide your service to the public. ★

FROM THE CHAPLAIN

by **Joseph (Jody) Stimmell** | jstimmell@dc-fop.org

For those who don't know me I would like to introduce myself; my name is Joseph H. Stimmell, although I go by Jody. I was appointed as DC FOP Lodge #1's chaplain two years ago by Past President Andy Maybo and am eternally grateful for the opportunity he gave me. Sean, our current president, has graciously given me opportunity to continue as the Lodge's chaplain. I look forward to serving and helping the membership with issues and concerns they might have. As of April 23, 2018, I will be a member of the Metropolitan Police Department for 28 years, as well as a member of the FOP and DC Lodge #1. If you have any concerns or issues for which you feel the chaplain's office could possibly help, please don't hesitate to contact me. On the Lodge web site I'm on the executive board of directors list and if you click on my name my email address will show up.

I had the chance to go to a training class with other officers from around the country and it was great to see the brotherhood and sisterhood between us. It is a relief that the issues you face in your own police department are faced by other officers throughout the country. We are not alone in this struggle that we call life and there are lots of others who face the same problems and concerns. I learned very early in my career that a COP is a COP no matter where we police or patrol—East Coast, West Coast, North or South, Big City Cop or Small Town Cop—and we are all the same. We share the same principles and values; we are usually alpha personalities with a strong devotion to community and service and helping those who can't help themselves. Blessed are the peacemakers, for they will be called children of God (Matthew 5:9).

Before I went to training two Texas officers were killed, while I was in training two Ohio officers lost their lives,

(continued...)

FROM THE CHAPLAIN *(cont.)*

and when I got home a Chicago officer was killed in the line of duty. We have surpassed the number of officers killed in the line of duty in the first two months of this year compared to the first two months of last year. It is a trying time now for being Law Enforcement with all that has happened, and the perception of Law Enforcement that many have in the communities in which we serve. I would love to tell you that it is almost over and that everything will be alright, but you know as well as I do that this is not the case or close to being true. Given the climate of the country and all the hate and resentment we face from some of the public we still show up to work each and every day and be the peace keepers, the guardians of our communities, and the ones who will stand up and not go quietly into the night. I am very proud and thankful that I was given the opportunity to be a COP and I take my oath to serve and protect very seriously. I gave my word and made a promise which I will keep, as we all do. We all gave our word and took an oath, and that oath is the foundation of Law Enforcement. Remember as always, be safe out there, watch your six and always remember Rule Number #1.

I leave you with a Police Officer's Prayer:

Lord, I ask for courage –

Courage to face and conquer my own fears,
Courage to take me where others will not go.

I ask for strength –

Strength of body to protect others, and strength
of spirit to lead others.

I ask for dedication –

Dedication to my job, to do it well, Dedication
to my community, to keep it safe.

Give me, Lord, concern for those who trust me,
and compassion for those who need me.

And please, Lord through it all, be at my side. ☆

MEMBER SUPPORT FUNDS

FOP DC Lodge #1 has established three different funds focused on improving the lives and experiences of our members and the community; for example, providing immediate assistance to law enforcement officers in disaster-hit areas when needed, or making necessary repairs and upgrades to our important but aging lodge building. The funds are the Disaster Assistance Response Team fund, the Building Fund, and the Member Support Foundation. Please donate to these special support efforts. *Note: Currently, donations to these funds are not tax deductible, but we hope to change that status in the near future.*

DISASTER ASSISTANCE RESPONSE TEAM FUND

The Disaster Assistance Response Team (DART) fund allows the Lodge to provide logistical and financial support to law enforcement members in areas that are affected by severe weather or other emergencies. DART swiftly responds to assist officers in recovery efforts and those who have suffered damage themselves as a result of the disaster.

BUILDING FUND

The Building Fund is used for the required repairs and up keep of the DC Lodge #1 building. It is a beautiful building in a prime location with many years of wear and tear. It needs continual short-term maintenance and long-term plans to keep it functioning and in good shape; for example: roofing, HVAC, elevator, etc.

MEMBER SUPPORT FUND

The Member Support Foundation funds will be used to render assistance to members upon written request to the lodge. Examples are for injury with an inability to work; a need for food and other basic necessities during a crisis; to help with uncovered medical bills, etc. This is a special opportunity to help our brothers and sisters when they need a hand.

UPDATE: LODGE #1 AUXILIARY

by **Bonnie Cannon** | bcannon@dc-fop.org

First, I would like to say Happy New Year to everyone! I hope everyone has a safe and wonderful new year.

During the holidays our Auxiliary collected non-perishable food items for families in need. We received generous food donations and they were distributed to local area shelters and food pantries. We also collected winter weather apparel and blankets to support the DC MPD Police Wives Group, who were sponsoring a winter coat and blanket drive for the homeless in memory of Officer Barry Eastman.

Our Auxiliary also assisted our FOP with a Blue Christmas this year in which our FOP sponsored one hundred \$50 meal cards for members who, during the holiday season, find themselves in the difficult position of not being able to afford a holiday dinner.

We were very proud to be able to help support our FOP this year during the annual Gibson Christmas Dinner. It turned out great and many officers showed up to demonstrate their continued support for each other as well as for the Gibson family.

On Law Enforcement Appreciation day our Auxiliary put together a spaghetti dinner for our law enforcement members. We were very surprised and pleased that Attorney General Sessions and US Attorney for the District of Columbia Jessie Liu made an appearance to thank our officers. It was a great day and is now going to become a tradition every year at our Lodge to hold a complimentary lunch for our heroes.

Our next event will be our annual St. Patrick's Day corned beef and cabbage dinner fundraiser. It will be held this year on March 11, 2018, from Noon to 5pm.

ABOUT THE AUXILIARY

The FOP Auxiliary is an ancillary organization of law enforcement officers.

The Auxiliary is the only national support organization of its kind.

It was organized to unite families of members of the Fraternal Order of Police; to promote their welfare socially, morally and intellectually; and to encourage them in all things pertaining to their good.

Auxiliary membership is extended to family members, 18 years of age or older, of an Active member of the Fraternal Order of Police DC Lodge #1 in good standing. Active status will be verified before accepting any membership applications.

The price will be \$10 a plate and free for children under 3 years old. We will also have chicken tenders, fries, hot dogs and hamburgers. There will be raffles and 50/50. If you are in the area please drop by and see us!

Please save the date for our annual local Law Enforcement Memorial, which will be held on May 7 at 11am this year. Our Auxiliary will be providing a lunch afterwards. Again, if you are in the area we would love to have you come to our memorial and stop by for some lunch.

Congratulations goes to new DC MPD Recruit Class 2017-5. We are proud of our new recruits and pray for their safety always.

We are always looking for new members. If you are an FOP member, any of your family members would be eligible to be an Auxiliary member. The cost of membership is \$20 per year. We have monthly board meetings and quarterly membership meetings. If you are a Maryland resident you are also eligible for FOP tags under this membership. You are not required to put in any time at any events or come to the meetings but if you do have the time it would be greatly appreciated. NAM KNIGHTS OF AMERICA

Capital Chapter

In the summer of 1989 a small group of Harley-riding combat vets of the Viet Nam War, who were also police officers, banded together to form the Nam Knights. The Club was founded in New Jersey by Jack Quigley, now retired Undersheriff of The Bergen County Sheriff's Department. Jack served as a platoon sergeant with the 11th Motor Transport Battalion, First Marine Division. Today,

the Nam Knights of America Motorcycle Club has grown to 69 chapters in 16 states, Washington D.C. and two Canadian provinces, with hundreds of members made up of veteran's of all eras as well as law enforcement personnel plus a few special and dedicated "patriots." The Capital Chapter received their charter 5 years ago recognizing the need for a Nam Knight Chapter in our nation's capital.

"A hero is someone who has given his life to something bigger than himself or something other than himself."

- Joseph Campbell

In the view of the Nam Knights brotherhood, the Fraternal Order of Police represents many brothers and sisters in blue who fit this description. In fact, this is what the Nam Knights of America and the FOP Lodge's share in common; our ranks are filled with those who have given of themselves similarly. This

truth explains why the Nam Knights Capital Chapter enjoys supporting FOP Lodge #1 in the manner we do. Each member of both organizations has sworn an oath to "support and defend the Constitution of the United States of America," and has honored that oath at risk to self.

The mission of the Nam Knights of America animates all club activities and is as follows:

"Our mission is to honor the memory of American Veterans and Police Officers who have lost their lives in the line of duty, to assist Veterans and Police Officers in their time of need and to promote community awareness through sponsorship and participation in various fundraising events."

The Nam Knights of America Capital Chapter fulfills the Nam Knight mission in a myriad ways:

We participate, (along with many other Nam Knight Chapters), in Rolling Thunder weekend events and rides to include paying respect at the National Police Memorial, Vietnam Veterans Memorial Wall, and Rolling Thunder.

We support the FOP DC Lodge #1 with the set-up and operations of Police Week "Tent City". It's a lot of fun and an honor to support and meet the dedicated Law-Enforcement Officers, and their loved ones, while they enjoy the event and pay their respects during the Police Week ceremonies.

We support the Military Retirees, who live at the Armed Forces Retirement Home in Washington DC by co-hosting a monthly happy hour, and assist with their July 4th "Friends of the Soldiers Home" event, Spring Fling, and Oktoberfest.

The Capital Chapter supports many like-minded organizations in the DC/Metro area by attending charitable events and

offering donations. You can locate a Nam Knights chapter near you by visiting www.namknights.org

Backing Up the District for Over 30 Years

We Proudly Support Lodge #1

FROM THE TRUSTEE AT LARGE

by **Mike Kruggel** | dmkruggel@dc-fop.org

Brothers and Sisters,

First off, I'd like to thank you for coming out to the Lodge and placing your votes during the last election. We have a great board of directors and your trustees are already hard at work doing the business of the Lodge.

I'd like to give you an update on the commemorative National Police Week 2018 Jack Daniel's Collectible Single Barrel bottles. Your Jack Daniel's Fundraising Committee has been working tirelessly getting this year's bottles ready to go. We cut some costs this year, which will give us a better opportunity to get them to everyone much quicker than last year. I am proud to say that our first group of bottles have already gone out to those who ordered them and are showing up all over social media, which is a great way of advertising that doesn't cost us anything.

One of the things I enjoy the most is the involvement of the membership in all the different events we do in or for the Lodge. Please, if you can, volunteer for the events we have—whether it be at the US Capitol and the Memorial Service on May 15, Tent City, the DART Team, or any assistance with the Auxiliary.

Although we have a large number of members, we are only as strong as the weakest link, which is why I am asking you to get involved. I am not going to do the "I remember when" speech, but what I am going to say is that we have all been there before, in the trenches and in the details that we don't like. However, it is always good to see a face show up just to say "Hi"—maybe a new one, or just one that hasn't been seen in a while. The Lodge has the Club upstairs and they are always willing to serve each of you. Help us help you!

(continued...)

FROM THE TRUSTEE AT LARGE (cont.)

In closing, make sure you purchase your commemorative National Police Week 2018 Jack Daniel's Single Barrel collectible bottle early because the sales are going well and I don't want you to be the one left out. You can see and purchase this bottle at: <https://dc-fop.org/blog/FOP-Jack-NPW-2018>.

Thank you for taking some time to read this and I promise to have more to say in the future. We are your trustees at large and work for the entire membership! ★

At the February membership meeting, Trustee Mike Kruggel presented Past President Andy Maybo with an engraved lid from the official Jack Daniel's barrel that held the whiskey used in the Commemorative DC Lodge #1 Police Week bottles.

Thinking About Homeownership or Refinancing?

Police Officers, Firefighters, Corrections Officers, and First Responders are the backbone of our local communities. To thank you for your work in our communities we would love the opportunity to serve and help you in your journey to homeownership. LEGISLATIVE COMMITTEE

by **Steve Franchak** | psfm15@verizon.net

Monday February 12, 2018, was the start of our annual Day on the Hill. After Lodge President Sean Rosa welcomed approximately 100 officers from all over the United States, the meeting was turned over to National President Chuck Canterbury, who also welcomed the officers. Approximately 20 officers were participating in their first Day on the Hill.

President Canterbury introduced Mike Stenger from the Office of the Sergeant-of-Arms of the Senate. He spoke on the security measures at the Congressional buildings and gave officers a phone number to call if they needed assistance or directions while in the complex.

The senior advisor to the national president, Jim Pasco, also spoke on key issues of the FOP. He introduced Senior Legislative Liaison Tim Richardson who, along with Mike Martin and Scott Marks, spoke on our top legislative issues and gave highlights of each bill.

National Secretary Pat Yoes, as well as several national trustees, also attended the meeting.

All members from national and the legislative committee spoke on the importance of our PAC and the need for contributions.

You can sign up for Grassroots updates from National by sending an e-mail to grassroots@fop.net, and put the word ADD, and the State in which you live, in the subject line. You can also contact the National Legislative Office at (202) 547-8189 to ask how to keep up to date. ★

NATIONAL FOP: Steve Young Law Enforcement Legislative Advocacy Center

The FOP maintains an office in Washington, D.C. on Capitol Hill, where a full-time professional staff actively lobbies Congress and the Administration on the issues most important to rank-and-file law enforcement officers. The National Legislative Program is the most active and comprehensive of any law enforcement organization in Washington.

U.S. PARK POLICE SKI TRIP

by Robert Berretta

The 38th Annual U.S. Park Police Ski Trip was another rousing success! We not only had attendees from the Washington, DC Metropolitan area, but also Pennsylvania, Michigan, Georgia and as far away as Florida!! We had a total of 53 participants and although it was very cold the conditions were excellent due to the mammoth snowfall Monday night.

This was my 10th year organizing and my 20th year overall and even though there are inevitably always going to be some last minute changes, for the most part it's a well-oiled machine. Besides my regulars we had some newcomers as well both active and retired members representing the following agencies; Arlington County PD, MPD, NCIS, USCP and, of course, USPP.

This year, much like previous years, you could see how the ownership of the resort has reinvested in the property, which was clearly evidenced by the complete redesign of the Bavarian Lounge. That being said, there is so much more to do than just ski or snowboard. The Trillium Spa is one of my favorites!

We truly had a great time and I sincerely wish more people would get on board. Go once and you'll be hooked! It really is a phenomenal deal if you take into consideration what you're getting for your money. Now it's time for anyone and everyone that has been on the fence to break out their calendars and save these dates for our next trip to Seven Springs Mountain Resort. I've already reserved Sunday 1/27/19 through Wednesday 1/30/19. Hope to see you next year out on the slopes!! ★

FROM THE RECORDING SECRETARY

by **Marcello Muzzatti** | mmuzzatti@dc-fop.org

On Wednesday, January 10, 2018, you came out to vote in a special election to fill the vacancy that was left by our brother Jeff Newbold, who was going to be sworn in that night but sadly passed away. Thank you to all the members who took the time out to come and vote for me in the special election for Recording Secretary. I feel very honored that I can step into what would have been his position and give the FOP the same amount of love and attention that he would have given it. I feel that life has cheated us by taking Jeff away, but we have some plans to honor him. About a year ago, Jeff and a few others took a ride up to Philadelphia FOP Lodge 5 and hung out at the bar. Jeff was really impressed by that lodge and was amazed at how many people were hanging out. In honor of Jeff, we will be taking a ride up to the lodge in Philadelphia on Friday, April 20, 2018, and will honor him at that lodge. I am working on a gift for the lodge and they are in approval of us doing this trip for him. More information will be coming later but please mark that date for this trip. In conjunction that weekend, an organization called "LEO Only" is having a party the next night at that lodge. You can get tickets for this event on their web page by going to www.leo-only.org and clicking on the link for the tickets. This is a great time—several of us have already purchased tickets and are going.

I have a few more ideas that we will be getting out to the members; in addition, the new board of directors (BOD) is a really good group of people. The president and vice president will be announcing the new committees and will be giving us instructions on how to move forward for this term. The BOD is there for you and you should reach out if you have any questions or comments.

As the recording secretary, I am responsible for the communication to the members. We use Constant Contact and though we try to hit you with as little as possible, we want to get you the information. If you are not getting these updates, you can go to our web page at

(continued...)

FROM THE RECORDING SECRETARY (cont.)

www.dc-fop.org and sign up via the link box. In addition, we will be creating different lists to provide information for other reasons. We see no sense in sending you something that you are not going to read or will get annoyed that we are sending, so look for additional lists in the future to which you can subscribe.

I recently attended an event in Kansas City, Missouri, called “A Night in Blue” that the FOP Lodge sponsored. They had over 700 people in attendance! How are they able to do this every year? Well folks, it’s the spouses that want this. You see, every year the spouses contact the FOP and demand to know when the next ball is so that they can get in on the calendar. Funny thing is, I get a lot of spouses contacting me and asking about parties at our Lodge and why we don’t do many of them. I advise them that we do have parties—Christmas and St. Patrick’s Day, just to name a few—but the spouses’ members do not tell them about it. I’m not sure why, so my plan is to get the spouses more involved! Your spouse needs a night out and they want to know about your job and the people you talk about—give that to them!

We have a great two years ahead of us and have some great plans for your Lodge. Get involved! Don’t be the member who just wants to criticize us but never gets involved. I recently got an email response from a couple of members about us having a meeting on February 14 even though it was Valentines Day! Of course I asked them if they had plans to attend the meeting since they have never shown up before and I got no response. Why do you feel that you have to criticize us when we are just trying to do our job, which we do—for free—to help our members. Your criticism is only valid if you actually are involved in the process. We try hard but only a few of us are there all the time for you. We are as strong as the membership. Your idea may be the one that gets caught onto and moves forward!

As always, I am only a phone call away and you can reach me anytime. My email address is mmuzzatti@dc-fop.org and my cell number is 202-251-0350.

Stay safe and watch your back. 🌟

DC LODGE #1 HISTORY

In the Spring of 1915, most police officers in the United States were underpaid and overworked. Officers were prohibited from participating in labor organizations or strikes.

During those days, two police officers from Pittsburgh, Pennsylvania met and decided there was a need for an organization to improve working conditions and represent the thin blue line between crime and society. From that simple beginning, the Fraternal Order of Police was born and has grown to an organization with 275,000 members. The FOP is the largest law enforcement organization in the United States. Along with civilian associate members from all walks of life; the FOP of today continues to represent the interest of working police officers.

The Fraternal Order of Police Lodge DC #1 was chartered in 1966. The Lodge was later named after the first member killed in the line of duty, Officer Jerrard F. Young.

In November of 1977, the FOP Auxiliary to DC Lodge 1 was formed, to promote fellowship between police families. Their objective is to increase understanding between individual officers and their families. The Lodge offers a place to voice ideas and concerns. The Lodge promotes fraternalism and the opportunity to interact with fellow police officers.

The Lodge is composed of members from over 100 different law enforcement agencies and civilian associate members from all walks of life. The Lodge is involved in many community projects, charities and social functions as well as their efforts to improve law enforcement. 🌟

ABOUT THE FOP STAR

The emblem adopted by the National Fraternal Order of Police is designed to remind the membership of the duties that are expected of them as a citizen, a police officer and a member of the Lodge. The five-cornered star tends to remind us of the allegiance we owe to our Flag and is a symbol of the authority with which we are entrusted. It is an honor the people we serve bestow upon us. They place their confidence and trust in us; serve them proudly.

Midway between the points and center of the star is a blue field representative of the thin blue line protecting those we serve.

The points are of gold, which indicates the position under which we are now serving. The background is white, the unstained color representing the purity with which we should serve. We shall not let anything corrupt be injected into our order. Therefore, our colors are blue, gold and white.

The open eye is the eye of vigilance ever looking for danger and protecting all those under its care while they sleep or while awake. The clasped hands denote friendship. The hand of friendship is always extended to those in need of our comfort.

The circle surrounding the star midway indicates our never-ending efforts to promote the welfare and advancement of this order. Within the half circle over the centerpiece is our motto, "Jus, Fidus, Libertatum" which translated means "Law Is a Safeguard of Freedom." ★
